About MercadoLibre

MercadoLibre is the largest online commerce ecosystem in Latin America, based on unique visitors and processed orders, and is also one of the region's leading fintech platforms. Our efforts are centered on enabling e-commerce and digital financial services for our users by delivering a complete suite of technology solutions. The company is present in 18 countries including: Argentina, Brazil, Mexico, Colombia, Chile, Colombia and Peru.

Through its e-commerce platform, MercadoLibre provides buyers and sellers with a robust and safe environment that fosters the development of a large e-commerce community in Latin America, a region with a population of over 650 million people and with one of the fastest-growing Internet penetration and e-commerce growth rates in the world. We believe that we offer world-class technological and commercial solutions that address the distinctive cultural and geographic challenges of operating a digital commerce platform in Latin America.

Through its fintech platform, MercadoPago, the company offers a comprehensive set of financial technology services to users of its e-commerce platform, and to users outside of its e-commerce platform. For individuals, those services include a digital account that offers a debit card, online payments, insurance, savings, investments and credit lines. For merchants, MercadoPago offers online and physical point-of-sale payments processing services as well as the digital account.
